SEIZED 'WET GOODS' **WORRYING CABINET**

Huge Stock in New York Warehouses Grows Into Heavy Expense.

KAVOR PLAN TO SELL

President Mindful of Protests Foreign Governments May

lons stored in New York warehouses. The President received reports show rentals and for guards has grown into a heavy public expense item.

One plan to dispose of the liquors is to make a general distribution to the hospitals of the country in proportion to their probable future needs.

have been settled in the courts. It was said, however, that by far the larger proportion of the stored liquors could in some manner be moved out into the drug trade for sale on doctors' prescriptions

the President and his Cabinet are said quart or by the barrel. He was quoted to have viewed with concern is the seizure of so-called foreign "in transit" liquor shipments. Under a Department of Justice ruling interpreting the dry law it is held to be unlawful for liquor shipments from a foreign country to another foreign destination to move through the United States.

Thless the United States Supreme

the United States Supreme Court overturns this feature of the Vol-stead law the Administration may urge Congress to legalize these "in transit" shipments. The President is mindful of the international difficulties that may arise through a too harsh application of provisions of this kind. The Cabinet discussed the issues involved in a test provisions of this kind. The Capinet discussed the issues involved in a test case brought by the British owned Cunard Line, acting in conjunction with large distillery interests of Canada.

Attorney General Daugherty informed the President that the Department of Justice has decided to expedite the passage of this case through the courts to the United States Surreme Court.

the United States Supreme Court.

The President probably will not seek legislative relief from the dangers of disputes with foreign Powers over this and other features of the Volstead law until the Supreme Court makes known its decision.

they stated, also recognizes the possibility of disputes with friendly foreign Powers over the Volstead law provision which bars foreign ships with liquors aboard from entering American ports. The Attorney-General has ruled that strict construction of the dry law bars them from American territorial waters tor Will Enforce Law.

Compare Shells With Stock of Gun Believed to Have Been Used by Slayer.

Los Angeles, Aug. 12.-Because she does not want to be unfair "to a person in whose innocence" she believes. Mrs. Madalynne Obenchain, indicted slaying of John Belton Kennedy, in an ferred to remain in jail rather than tell anything further regarding the events leading up to the death of interview to-day declared she pre-Kennedy, who she one day hoped to death.

Those under arrest are Maurice Hertz, "dazed" when first held by the police.

It also was suggested at the Cabinet meeting that the Government, after competent chemical tests of the scized liquors, could convert them into cash for the Treasury by sale to drugsists stand by and see that American citishe refused to name the person who she claims would be the sufferer should she tell her story. When asked if it claims was Arthur C. Burch, also indicted in Eight witnesses were examined by the

was fixed at \$5,000. Bond was obtained from a local surety company.

The prisoners were charged with violating several United States customs regulations in regard to smuggling. The charges grew out of the seizure of the Thomaston here last Wednesday as an alleged liquor smuggler and discovery of what is suspected of having been her cargo in the Camden warehouse.

Evidence has been obtained to show that suites of rooms in prominent hotels have been the real distributing points for members of the alleged smuggling combine, according to special agents for the Treasury Department who assisted in capturing the Thomaston.

J. B. Fox, a Deputy Sheriff of Los Angeles county, who was summoned from Arizona, where he was investigating a case, arrived to-day and was taken at once to the county jail and began a long talk with Mrs. Orenchain. Other deputies working on the case said that Fox hair has asid she would talk freely if she could talk to him.

Fox was one of the first investigators assigned to the Kennedy case. Mrs. Obenchain met him when she was taken into custody last Friday night, and the officers said to-day that she expressed fain in his fairness, and had asked to see him.

Other developments to-day were

other developments to-day were sparse. The stock of a double barreled shotgun found in the ocean near Santa Monica Canyon and turned over to the Sheriff last night was tested to-day to determine whether it was a twelve gauge gun. The shells found at the home of the stole was who was killed a week ago Will Have to Obtain Permit to Move Drinkables.

Mrs. Margaret Isabelle O'Keefe, in a will filed yesterday with Surrogate Norton of Jersey City, left her stock of liquors to a neighbor, Albert H. Stiefel, and to make sure he got them made him executor of the will. Though both Mrs. O'Keefe and Stefel lived at 174 Park a venue, Weehawken, Stiefel will have to get a Federal permit to to his.

Mrs. O'Keefe died August I. The will was a twelve gauge gun. It also was stated that experts would be called to compare a twelve gauge gun, it also was shorted with the indentations on the shift form of the gun with the indent LIQUORS TO NEIGHBOR
